

WildHearts Office is The UK's leading social enterprise. We empower businesses to transform everyday overheads into social impact. All our profit is reinvested in putting people and planet first. To date, we have transformed over 1.5 million lives.

### Our Categories:

#### OFFICE SUPPLIES

We work closely with key suppliers to give our customers a great choice of office supplies that are high in quality, dependable and competitively priced.

We provide over 3,000 own branded products alongside products from over 200 manufacturers. All our products have been assessed and selected by us to ensure they come from manufacturing processes with low ecological impact on the environment.

#### PRINT MANAGEMENT

Our experienced team can support your company with a full end-to-end print service from in-house design through to production, stock management, delivery, and reporting.

Our established relationships with industry leading suppliers mean you benefit from the best vendor for the job. We deliver marketing solutions from seasonal campaigns delivered on time to 600 locations, to email platforms and integrated IT, to enable automated printing.

#### WORKPLACE SOLUTIONS

You can source everything you need for your office and workplace environment from WildHearts Office.

Items include, cleaning equipment and disinfectants, janitorial hardware, catering products, first aid kits and a myriad of security devices. With thousands of stocked products, you can get more of what you want, when you need it.

#### INTERIORS & FURNITURE

We provide quality, fit for purpose furniture and interior solutions to maximise efficiency, and suit the modern workplace.

Our team has 240 years combined industry experience, so you will benefit from expert advice. We recommend the most effective solution for your business by working with you to thoroughly understand your business need, budget and space. We will also oversee your project locally and offer no cost nationwide delivery and installation.

#### WORKWEAR

We are a leading supplier of corporate clothing and workwear. Our team of specialists are experts in supplying garments across most sectors including healthcare, catering, and retail. We also work closely with highly regulated sectors in the UK including the pharmaceutical and food industries.

We're dedicated to providing you with high quality, innovative clothing at competitive prices and with our fully flexible and personal service you can guarantee that we have a solution for your workwear needs.

#### DATA ARCHIVE

We offer a safe, secure and simple solution to your records management needs. Our 5 million sq.ft of highly secure, flood proof, temperature and humidity monitored data storage space can guarantee the safety of your documents.

Our service standards lead the industry, and we regularly make cost savings of up to 35% compared to existing arrangements. Our range of flexible products, archive storage, electronic records management and secure destruction can be tailored to suit your business storage needs.

#### THE POWER OF CONSOLIDATION:

WildHearts Office provide an effective single source solution where you can consolidate all your office products and services orders into one. Increasing control and visibility whilst driving economic, operational, and environmental efficiencies.
